PROFILE

Front-End Developer passionate about creating modern, high-performance, and responsive web interfaces. Curious, self-motivated, and always eager to learn, I'm looking to join a dynamic team where I can actively contribute to innovative projects.

WORK EXPERIENCE

Front-End Developer – Freelancer

2025- PRESENT

- Created responsive websites and web apps using React.js, Vue.js, Tailwind CSS, and Bootstrap
- Delivered custom UI components and mobile-first layouts for various clients
- Collaborated directly with clients to define project scope, features, and deadlines.

Junior Front-End Developer – Storeino

2024 - 2025

- Contributed to the development of e-commerce features and UI improvements
- Used Vue.js and React.js to support front-end tasks
- Assisted in debugging and optimizing interfaces for responsiveness and performance
- Participated in Jira team meetings and collaborated on product updates
